

# Mobile- Charging Lantern

## S200 Pro

### d.light S200 Pro

The d.light S200 Pro Solar Lantern is a durable and versatile lighting solution for home and businesses. With a 2.7W polycrystalline solar panel, 4 brightness settings, and a USB port for mobile charging, it ensures bright, long-lasting illumination even in off-grid areas. Designed to withstand tough conditions, its sleek, compact form offers an eco-friendly, cost-effective alternative to candle and kerosene lamps, promoting sustainability and energy savings.

# TECHNICAL INFORMATION
