

T100R

d.light T100R

The d.light T100R is a compact solar lantern offering reliable lighting, entertainment, and connectivity. Equipped with a 3W solar panel and 3900mAh LFP battery, it provides 30 hours of light on its lowest setting. It features adjustable brightness, FM radio, MP3 playback (USB/TF card), wireless token transfer, and mobile charging. Built for durability, the T100R includes an adjustable stand, ergonomic strap, and intuitive interface. More than a lantern, it's a complete energy solution.

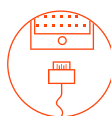

Solar Lantern

TECHNICAL INFORMATION

Rechargeable battery
30 hours per full charge

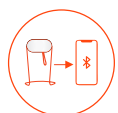

Charger
Charges mobile via USB port
